# Legal Clearance Disclaimer

Unless alternate arrangements have been made, ISS does not provide legal clearance for any of our rented products. It is the sole responsibility of the of the client to acquire legal clearance if necessary, and ISS will not be liable for such clearances. If you need assistance, please contact the legal department of your production company.

## **GRAPHICS**

All photographs and illustrations were either created by us, or legally obtained from royalty-free stock photo and illustration companies such as clipart.com, bigstockphoto.com, Photo Disk and Images Etc. Upon request, we can usually provide the customer with the appropriate source information. Please be advised that each of our sources for stock imagery have their own legal policies, and as such, ISS is not the rightful owner of these images.

## **PROPS AND MANUFACTURED ITEMS**

Many of our props are similar to existing products, and have been purposely created to resemble specific items at the request of our customers. These items are to be used at your own discretion, and they are in no way exempted from this disclaimer.

While we make a deliberate effort to make our props as generic as possible, ISS is not the rightful owners of any title, copy, organization or company brand name. Nor do we possess the legal rights to any license plate numbers or personal and location information used on any graphic props. Because of this, we cannot guarantee the use of any of our items will not infringe upon existing copyrights or trademarks.

If you are using a prop in a hero manner, it is strongly advised that it be cleared by the legal department of your production company. If this is not a viable option, and you would rather have us provide third party clearances for your items, please let us know. Prices and turnaround times will vary according to your needs.
